Time: 6:00 to 7:00 pm

Cost: FREE

Attend online via TEAMS or in person
at Center for Life Management
10 Tsienneto Road, Derry, NH 03038

Coverage to Care: Keeping Kids Connected to Medicaid Coverage is a free educational session for parents and caregivers led by a CLM benefits specialist and case manager. This informal session will help families understand Medicaid redetermination, health insurance renewals, required paperwork, important deadlines, and where to turn for assistance with their questions.

Our goal is to empower parents with the knowledge and confidence to navigate the insurance process, avoid preventable coverage gaps, and help ensure that administrative challenges do not become barriers to their child's care. Because keeping coverage means keeping care within reach.
